4. Japanese Laid-Open Patent Publication No. 08-242260, dated September 17, 1996, together with an English-language Abstract.

The references were cited in an Official Action dated July 23, 2002, received from the Japanese Patent Office. Applicant is submitting copies of the above-cited references, together with a translation of the Examiner's comments regarding the references from the Official Action. It is to be noted that one of the references cited in the Japanese Official Action, namely Japanese Patent Publication No. 08-167832, dated June 25, 1996, was previously submitted by applicant in its Information Disclosure Statement dated June 15, 2000. Therefore this reference is not enclosed with the instant Information Disclosure Statement. The relevance of the references are described in the Official Action.

In compliance with the requirements of 37 C.F.R. §1.98(a)(3), as a concise statement of relevance, as it is presently understood by the individual designated in 37 C.F.R. §1.56(c) most knowledgeable about the content of the information, the undersigned attorney of record submits a translation of portions of an official action by a foreign examiner in which the references were cited. The relevance to the pending U.S. patent application is that the references were cited in a foreign patent application on the same subject matter. However, no independent analysis of the references, the accuracy of the statement of the foreign examiner or the claims of the foreign application under the laws of that country or the United States relative to the subject matter claimed in the present application has been made; the present understanding of the contents thereof by the undersigned being based on the translation of the foreign examiner's comments submitted herewith.

Inasmuch as this Information Disclosure Statement is being submitted in accordance with the schedule set out in 37 C.F.R. § 1.97(b), no statement or fee is required.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Paul J. Esatto, Jr.', written over the printed name.
